

HealthMPowers

Health Educator- Out of School Time

HealthMPowers is a 501(c)(3) nonprofit organization dedicated to empowering children to championing healthy habits and transforming environments where children live, learn and play. With a strong 20-year track record, a variety of funding sources, and well-developed partnerships with government agencies, civic organizations, school systems and others, HealthMPowers is poised for continued success in improving nutrition security and physical activity of children to impact future health, academic success as well as economic and national security.

By integrating nutrition education and physical activity into settings where children spend their time (schools, childcare centers, and after-school programs), the organization creates a culture that supports lifelong healthy lifestyle choices for children, staff, families and communities. Using the evidence-based guidelines established by the Centers for Disease Control and Prevention (CDC), HealthMPowers has a proven track record of improving health knowledge, behavior, physical fitness and environments for sustainable health improvements in low-income communities.
